Subject: RE: Lab Security

Hi Jim,

I was out last week but I am following up with Dr. Vallaro regarding your security question.

We currently use Paradox for our access control system and it is serviced by a company called LanTel.

Jeremy

Subject: Lab Security

Hi Jeremy,

UMass and Johnson Controls are changing our card swipe system used to access restricted areas. Who handles your security issues? They might need to get in touch with UMass or Johnson Controls.
